

# STUDENT CONTRACT

Please sign this sheet and return it to the Director by August 18, 2008!

**You will not be permitted to participate in any performances until this form has been completed and returned.**

I have read the 2008-2009 Band and Colorguard Handbook and am aware of the Band's policies and my responsibilities as a member of the unit. I understand that if I have missed rehearsal time due to absence or removal from the field for behavior reasons, or if I do not know my music/routine, I may be removed from the show(s) for the upcoming weekend. If my commitment is persistently lacking I understand that, in fairness to the other members, I may be permanently removed from the show.

**Pease Note:** *Marching Band is as much of a physical activity as it is a musical one.* In order to build their stamina, students will be involved in activities such as running and callisthenic exercises. If your son or daughter has a condition such as asthma or the like, we would like him/her to continue in these exercises to the best of his/her ability in order to lessen the chance of a medical problem during an actual performance. Please be sure to complete and send in the following medical release form. If the student is restricted to the amount of exercise he/she can do, please attach a doctor's note stating what extent of exercise would be harmful.

**THANK YOU FOR YOUR PROMPT RETURN OF THIS FORM**
